## *Travelling The Distance*

Text by Shauna McMullen

*She exudes warmth and compassion to the dying whether they be rich or poor, black or white.*

**Kay McCall**, Social worker on Molly Parsons, Nurse.

*First woman doctor who championed treatment of women by women and pioneered Public Health awareness.*

**Eleanor McLaughlin**, first woman to become Lord Provost of Edinburgh, 1988–1992 on Sophia Jex Blake, first woman doctor in Scotland.

*She tried to warm her hands on the fire that was to burn her.*

**Jan Macleod**, Development Officer, Women's Support Project, Glasgow, Feminist activist and campaigner on Janet Horne executed as a witch in Dornoch, Sutherland, 1727.
