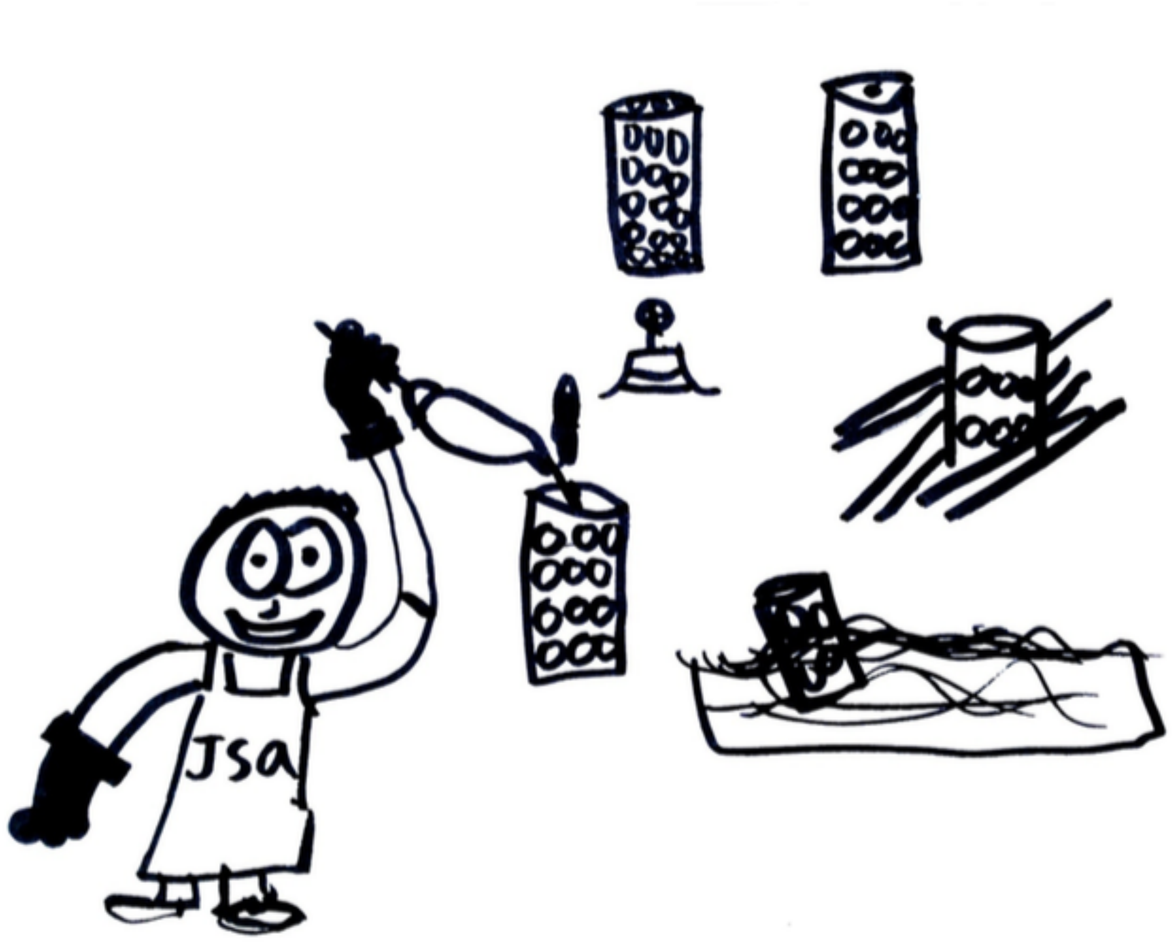
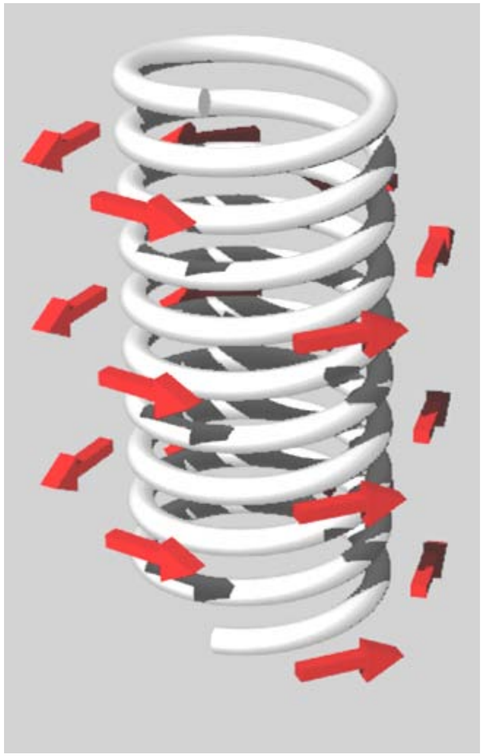
Impenetrable Philosophy



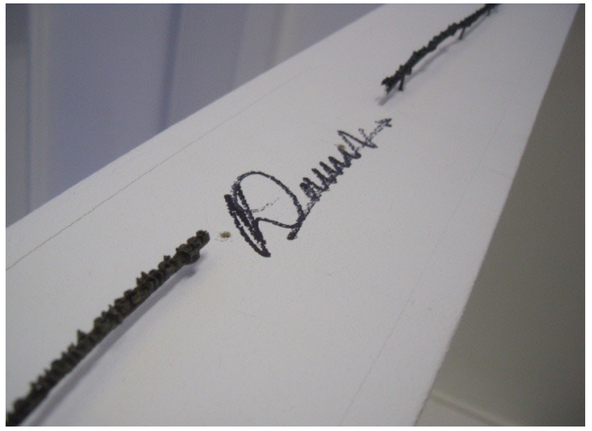
JSA

Case Study No. 1 In the latent potential in objects (biro) – Brooch & Display.

Investigating the potential of ink as an explosive and potent filled liquid as well as the differences between jewellery and sculpture.



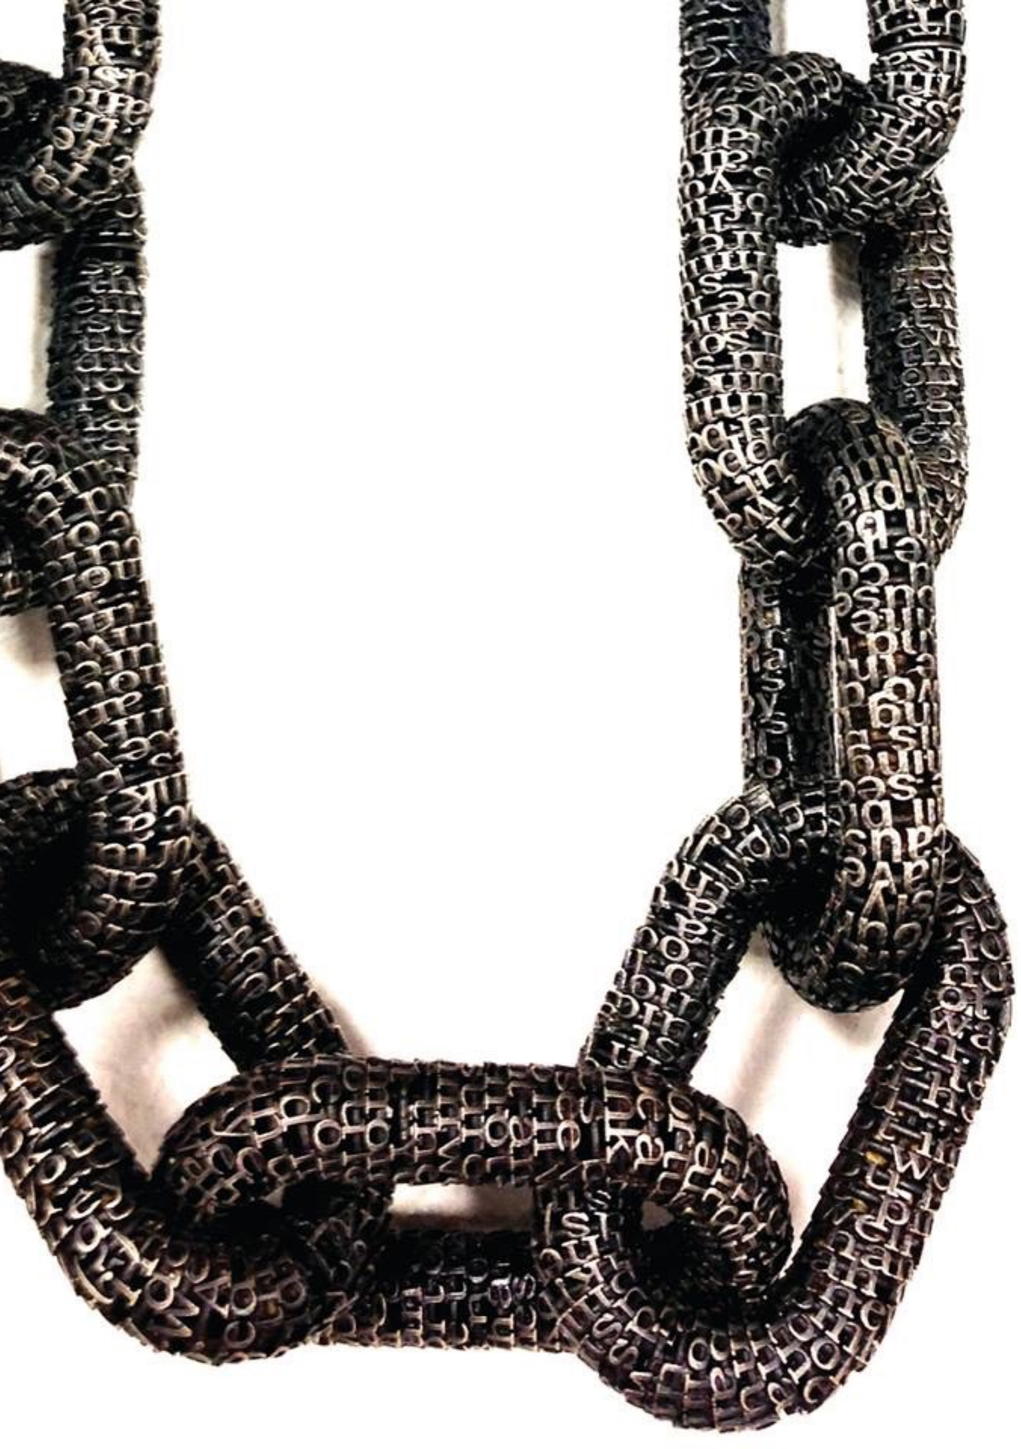
CONVERSATION PIECE — FIND THE BROOCH YOU WANT - CUT - BUY - WEAR



Like butternut squash, MM-yeah

m-veggie2 Not so sure on that, uh

2-yeah its Butternut squash curry



Using humour as a way of communicating a narrative

I Prefer to keep my emotions hidden.

Yeah, yeah, I see that's pretty dapper.

I prefer to keep my emotions hidden

JONNIES are the strangest commodity. The ultimate one-use product; their use can save lives and prevent disease. They are a cheap and effective product which despite their visual aesthetic should be celebrated. GOLD a commodity, which we hold in the highest value. A gold JONNY, question your values and wear with pride.
