# What's changed?

- As of 9 December 2024, key information from RADAR profiles will be pulled through to **Staff Profiles** on the GSA website
  - This means that you only need to keep your RADAR profile updated – and you can do this whenever you need to!
  - Website visitors who wish to find out more about your research will then be able to click through to your more detailed profile in RADAR
- There are several **new fields** to complete, including:
  - Professional title
  - Contact number
  - Grants
  - PGR Supervision interests
  - Areas of supervision expertise
  - Details of current and former PGR students
- **Word counts** have now been introduced for key fields including:
  - Biography
  - Research Interests
  - Grants
  - PGR Supervision Interests
  - Teaching
- Your **'Latest Additions'** will now be sorted in reverse order by date of publication and filtered to only show key output types

When you log into RADAR (using your usual GSA credentials), you will be directed to your homepage. This homepage is where you will be able to create and update a staff profile, upload an image, view your latest publications and see various statistics about your outputs. To begin your profile click on the green **'edit profile'** button shown in the image below.

In the **‘Personal Details’** section, you have the option to make your profile **‘Public’** or **‘Private’**. The default is **‘public’**. This is to ensure that information feeds through to the Staff Profiles on the GSA website.

You can also choose whether to make your email address public or private

**N.B. Because RADAR updates overnight, it will take up to 24 hours for any edits you make to appear on your public profile page.**

**Biography:** Please provide a short biography text, outlining your research experience; please limit your biography to 150 words.

0 words / 0 characters

**Research Interests:** Please provide keywords / a short description of your research interests, in no more than 35 words.

0 words / 0 characters

**Grants:** Please provide brief details of any research funding awarded to you, including dates; project title; your role (e.g. PI or Co-I); funder; amount; please limit this information to 700 words.

0 words / 0 characters

**School or Academic Area Supervised for:** Please select which School(s) you supervise for.

- Mackintosh School of Architecture
- School of Design
- School of Fine Art
- School of Innovation and Technology
- Interdisciplinary Research

**PGR Supervision Interests:** Please provide brief details of your supervision interests, **no more than 35 words.**

0 words / 0 characters

**Current PGR Students:** Please provide the names of the students you currently supervise, and the title of their thesis.

**Former PGR Students:** Please provide the names of the students you have previously supervised, and the title of their thesis.

The **'GSA Profile'** section allows you to provide a biography, describe your research interests, provide details of supervision expertise (incl. current and former PGR students) and provide details of teaching.

Please note that **max. word counts** apply to key fields including Biography, Research Interests, Grants, etc.

The max. word count for each field is detailed in the associated help text.

Your **"Biography"** is a required field, and now has a 150-word limit. A short well-written professional biography is more effective than a long one, for reaching your potential audiences (e.g. prospective PhD students, research collaborators, consultancy clients, media/press representatives). Your biography should provide a concise introduction and overview of your professional profile (including career history), accomplishments and goals without repeating the information provided in other profile fields.

**Current PGR Students:** Please provide the names of the students you currently supervise, and the title of their thesis.

**Former PGR Students:** Please provide the names of the students you have previously supervised, and the title of their thesis.

**Teaching:** Please provide brief details of your teaching, including the course / programme title(s) and your role; please limit your description to no more than 100 words.
