

EU WEEK FOR SUSTAINABLE AND INCLUSIVE COMMUNITIES: THE FUTURE IS SHAFE

Dr Linda Shore –

UX (user experience) designer/researcher working at Glasgow School of Art. My research interests and expertise focus on the ageing experience, women's health, perceptions towards emerging technology, applied research methodologies, and future focused design solutions that enhance quality of life and the lived experience across Humanity, Society, and Policy themes.

01.10.2024

European Committee of the Regions

Cross Disciplinary /Lifespan approaches

Design Your Menopause Life

Provides solutions across social, work, and health environments through digital, immersive and interactive experiences

Breathe Eat Sleep Move Grow

How can we create connected links in our environments across the lifespan – home, sports, health and education

Anthropological access points

Considering the **who**, but also the **spaces** and the **times**, remaining current to aspiring things for the future, whilst learning and not forgetting learnings from the past.

Optimising experiences

THANK YOU!
